

Being a Farmer today can be both hard and exhilarating

When unexpected events happen, farmers lose **Money, Time, and Productivity**

We are here to help..

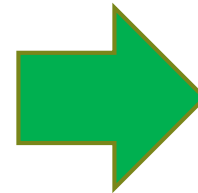

***We provide
hassle-free, less
expensive crop
protection for
farmers powered
by community***

Today vs. Tomorrow

What if we made it easier and cheaper to buy protection for your crops in case of catastrophic weather events?

Today's Experience and Cost	
	Cost per 100 Acres
Seed	\$10,400
Insurance Premium*	\$1,600
Deductible at 10%	\$160
Total	\$12,160.00

Tomorrow's Experience and Cost	
	Cost Per 100 Acres
Seed + Protection *	\$110
Total	\$11,000
\$1,160 savings	

* Assumes 85% protection of revenue loss

Our Philosophy

Community taking care
of each other

"Let's pool our money together,
and if anything goes wrong for one of us, the
community will protect you."

How Our Model Works
